“Moving Up”

A Social Program for High Functioning ASD High School Students

Meets on Friday Nights

6:30 am to 9:30 pm

Program leader Lorie Dietz who is skilled in the “**Social Thinking Model**”
will facilitate each event.

Sessions will begin with a review of the activity and
Social Thinking concepts related to the event

Participants will attend a community outing for facilitated practice/generalization
of skills/behaviors to build social competence in natural settings
(age-appropriate activities)

One Friday per month will be held at The Independence Place for teaching youth
about “social thinking” and how to overcome their individualized difficulties,
watch videos taken during activities, and give each other feedback. Strengths of
each individual will be emphasized and built upon and social skills for
employability.
